This will be a demo/working workshop with homework between the first and 2nd class. You can do one or all when the others become available. Kits required.

## Guess Who's Teaching: Little Stella

*Tuesday, May 10th, 10:00 - 3:00, and Wednesday, May 29th, 10:00 - 1:00*

Gudrun Erla from G.E. Designs has published a new ruler and 4 new tablerunner patterns ranging in size from 14" x 48" to 18" x 46". The new ruler: Stripology Squared Mini, which is used in each pattern, makes cutting fast and easy. After learning how to use this ruler, you will find you will be using it in your rotary cutting in general - makes cutting so much easier and quicker, especially 5" charm squares from your stash! For a little bit of fun - you will not know who's teaching until class begins!

## Camilla

*Thursdays, May 16th & 30th, 10:00 - 3:00*

Camilla is the 3rd quilt that we have taught out of the Stripology Mixology book. Camilla is a great quilt to use your stash on, (or of course you can buy new fabric too!) You can make it in 4 sizes: Wall/Lap 62 x 62, Twin 62 x 90, Full/Queen 90 x 90, or King 118 x 118. As you can see by the picture, each block finished at 14" is a different colorway. You will also learn how to use the Stripology ruler and will find that you'll be transferring the new learned skill to a lot of your general rotary cutting.
